

MAP-3

Your Journey Coordinates
Clarity and Practical Direction

MAP-3

The **MAP-3** is a strategic clarity tool.

It allows you to translate your inner calling into practical direction, aligning who you are with what you do and what you can create.

When you integrate its five coordinates:

- Mastery
- Autonomy
- Passion
- Purpose
- Prosperity

...You discover your Superpower: the coherent expression of your identity in action.

This exercise doesn't seek perfection. It seeks alignment.
Answer it with honesty and vision.

MAP-3

MASTERY: Your natural zone of genius.

- What do I do with ease and consistency?
- What skills have I developed that generate results?
- In what area do others recognize my value?

AUTONOMY: What you choose to do freely.

- What activities make me lose track of time?
- What do I enjoy even when no one is watching?
- Where do I feel authentic and free?

PASSION: The fuel that drives your actions.

- What moves me deeply?
- What am I willing to stand up for and share with the world?
- What excites me even when it presents a challenge?

PURPOSE: The impact you create.

- How can I serve and contribute real value?
- What problem do I care about solving?
- What legacy do I want to build?

PROSPERITY: The sustainable expression of value.

- What can I charge for with integrity?
- How do I monetize my mastery today?
- What model could expand my impact and income?

MASTER

Your natural zone of genius.

AUTONOMY

What you choose to do freely.

PURPOSE

The impact you generate.

PASSION

The fuel that powers your action.

PROSPERITY

The sustainable expression of value.

MAP-3

Now look at the whole picture.

- Where do your answers intersect?
- What common pattern emerges?
- What activity profitably integrates Mastery, Autonomy, Passion, and Purpose?

Write your potential Superpower here:

Describe how you could express it in the world:

Define a concrete action to activate it:

Congratulations

On getting this far!

The **MAP-3** isn't a label. It's a compass.

It can evolve with you, but it will always remind you of something essential:

Sustainable prosperity is born when what you do reflects who you are.

Activate your superpower. The world needs your consistent expression.
